Summary: Red vs Blue. A short, funny poem about the lovable and unforgettable Freelancer, Agent York. Please R&R!

New York, New York!

****A/N: ****Since York has been one of my most favourite Freelancer agents from Red vs Blue, I decided to dedicate a small poem to him. I hope you enjoy this! :)

****Disclaimer: ****Agent York does not belong to me as he is owned by Rooster Teeth.

****New York, New York!****

****By AngelEyes87****

Always laid-back, never shouts,
>Agent New York is very unique.
He appreciates justice and honour

>Amongst seeking trust in others.
Armour the colour of desert sand,

>The American excels in his duty.
Proclaimed as second best Freelancer,

>He has demonstrated natural prowess.<p>

He possesses a voice in situations,

>Yet everyone seems not to listen.
Trying his best to act like a hero

>Results in gaining an injured eye.
Without fail, Dee, his faithful AI,

>Is willing to offer all his assistance.
Killed in action by that Wyoming,

>His loving memory will live on.<p>

****A/N: ****I was partly inspired by the events of Out of Mind along with Season 9 of Red vs Blue, especially the three on one battle with

York, Maine, and Wyoming against the bad-ass Tex.
